

Aberdare & District General Hospital

Souvenir Report

**Thirtieth Annual Report
and
Statement of Accounts**

Year = 1947

TRUSTEES OF THE HOSPITAL

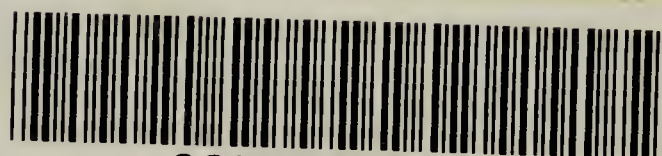

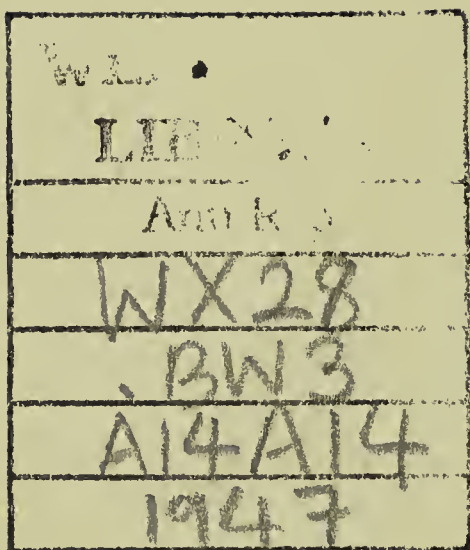

THE CHARITY COMMISSION, St. James', London

Dr. MARTIN LL. JONES, Brynhyfryd, Aberdare

Mr. E. STONELAKE, J.P., 36 Herbert Street, Aberdare

PAST PRESIDENTS

1918-1919	...	E. M. HANN, Esq., J.P.
1920	...	OWEN POWELL, Esq.
1921	...	FRANK HODGES, Esq., J.P.
1922	...	ILLTYD HOPKINS, Esq.
1923	...	J. H. POWELL, Esq., J.P.
1924	...	CHARLES KENSHOLE, Esq.
1925	...	E. L. HANN, Esq.
1926	...	S. H. STEPHENS, Esq.
1927	...	R. R. DAVIES, Esq.
1928	...	E. STONELAKE, Esq., J.P.
1929	...	D. BADHAM, Esq.
1930	...	THOMAS LUCAS, Esq.
1931	...	GLEN GEORGE, Esq.
1932	...	JOHN LEWIS, Esq.
1933	...	Mrs. M. H. LLEWELLYN
1934	...	B. J. BRACE, Esq.
1935	...	Mrs. CHARLES KENSHOLE
1936	...	JOHN PROWLE, Esq., J.P.
1937	...	Mrs. M. A. PHILLIPS, J.P.
1938	...	FRANCIS LEACH, Esq., C.C.
1939	...	ISAAC BANKS, Esq., O.B.E., M.D., J.P.
1940	...	DAVID LAWRENCE, Esq.
1941	...	Ald. W. M. LLEWELLYN, M.E., J.P.
1942	...	DAVID SWEET, Esq.
1943	...	FRANK P. HANN, Esq., M.E.
1944	...	JOHN MORGANS, Esq.
1945	...	ARTHUR W. HUMPHREYS, Esq.
1946	...	GEORGE STARLING, Esq.

22501704126

Officers for 1947

President

DR. HARRY BANKS, J.P., M.B., F.R.C.S. (EDIN.), TY MAWR, ABERDARE

Vice-President

T. W. MORGAN, Esq., HOLLYBUSH, RHIGOS, HIRWAUN

Hon. Treasurer

THOMAS RODERICK, Esq., B.S.C., M.E., "GLENSIDE," ABERAMAN

Secretary

CLIFFORD THOMAS, A.H.A.

Matron

MISS L. RICHARDS

Hon. Solicitor

MR. G. SPENCER BIRD, ABERDARE

Bankers

MIDLAND BANK LIMITED, ABERDARE

Auditor

MR. C. E. EDWARDS, F.S.A.A.,

BANK BUILDINGS, ABERDARE

Executive Board for 1947

OFFICERS

President :

Dr. HARRY BANKS, J.P., M.B., F.R.C.S. (EDIN.), Ty Mawr, Aberdare

Vice-President :

T. W. MORGAN, Esq., Hollybush, Rhigos Road, Hirwaun

Hon. Treasurer :

THOMAS RODERICK, Esq., B.SC., M.E., "Glenside," Aberaman

Secretary :

CLIFFORD THOMAS, A.H.A.

MEMBERS OF THE BOARD

Chairman :

JOHN MORGAN, Esq., 15 Lower Station Street, Aberaman

Vice-Chairman :

H. W. GEORGE, Esq., Farm Road, Aberaman, Aberdare

Mrs. M. A. PHILLIPS, J.P., 15 The Grove, Aberdare
 Mrs. H. B. LLEWELLYN, J.P., Ty Newydd, Hirwaun
 Mr. E. STONELAKE, J.P., 36 Herbert Street, Aberdare
 Mr. T. LUCAS, 45 Wind Street, Aberdare
 Mr. D. LAWRENCE, 27 College Street, Abernant, Aberdare
 Mr. J. PROWLE, J.P., East Avenue, Gadlys, Aberdare
 Mr. GWILYM FF. WILLIAMS, O.B.E., F.A.I., 14 Park Lane, Aberdare
 Mr. GEORGE STARLING, 7 Catherine Street, Aberdare
 Dr. BEN THOMAS, Ivy Green, Hirwaun
 Dr. JAMES HANNAN, Cardiff Road, Aberaman
 Dr. HAMILTON F. MOFFIT, 20 Dean Street, Aberdare
 Mr. FRANCIS LEACH, C.C., 15 Cwmaman Road, Godreaman
 Mr. DAVID SWEET, 14 Tramway, Hirwaun
 Mr. D. P. JONES, Parc Glas, Abernant Road, Aberdare
 Mr. D. J. DAVIES, M.E., 11 Park View Terrace, Abernant
 Rev. J. WILFRED EVANS, B.A., B.D., R.D., The Vicarage, Aberdare
 Mr. W. O. TWINY, B.A., 20 Davis Street, Hirwaun

Mr. A. W. HUMPHREYS, Ty Clyd, 50 Cwmaman Road, Godreaman,
Aberdare

Mr. G. R. PRITCHARD, D.C., 3 Holford Street, Aberaman

Mr. W. O. DAVIES, 93 Brook Street, Aberaman

Mr. A. CARRUTHERS, 10 Duffryn Row, Cwmbach

Mr. RHYS E. NICHOLAS, 29 Broniestyn Terrace, Trecynon

Mr. J. LEWIS, 7 Llanwonno Road, Cwmaman

Mr. HENRY REES, 3 Cwmamn Road, Godreaman

Mr. EDWARD J. EVANS, 16 Cwmaman Road, Godreaman

Mr. D. L. EMRYS EVANS, Park Lane, Trecynon, Aberdare

Mr. MORGAN I. BOWEN, 284 Cardiff Road, Aberaman

Mr. D. KALMAN JONES, 1a Curre Street, Aberaman

Mr. EMLYN DAVIES, 6 Tre Ifor, Llwydcoed

Mr. B. LEWIS, 142 Cardiff Road, Aberaman

Mr. S. L. C. BOUGHTON M.B.E., 21 The Grove, Aberdare

Meetings are held every alternate Thursday at the Hospital at 7.15 p.m.

Finance Committee

Chairman : Mr. W. O. DAVIES

MEMBERS OF THE EXECUTIVE BOARD.

Meetings are held every alternate Thursday at the Hospital at 6.30 p.m.

House Committee

Chairman : Mr. THOMAS LUCAS

Meetings are held on the Second Monday in each month

Farm and Ground Committee

Chairman : Mr. H. W. GEORGE

MEMBERS OF THE EXECUTIVE BOARD

Meetings are held on the Second Monday in each month

Medical Committee

THE HON. MEDICAL AND SURGICAL STAFF

Visiting Consulting Staff, and Honorary Medical and Surgical Staff

VISITING STAFF

Consulting Physician—

BYRON EVANS, M.D., M.R.C.P., Cardiff

Consulting Physician in Diseases of Children—

A. G. WATKINS, M.D., B.SC., M.R.C.P., Cardiff

Consulting Surgeon—

D. IOAN-JONES, M.B., B.CH., B.SC., F.R.C.S. (ENG.), Cardiff

Consulting Ophthalmic Surgeon—

ROY THOMAS, M.B., F.R.C.S.E., D.O.M.S., Swansea

Consulting Ear, Nose and Throat Surgeon—

ROBERT D. OWEN, B.SC., M.R.C.S., F.R.C.S.E., Cardiff

Consulting Gynaecologist and Obstetrician—

M. D. ARWYN EVANS, M.D., F.R.C.S.E., M.C.O.G., Cardiff

Consulting Orthopaedic Surgeon—

A. O. PARKER, M.D., C.M., M.C.P.S., Cardiff

Consulting Urological Surgeon—

RICHARD A. MOGG, M.B., B.CH., F.R.C.S., Cardiff

Consulting Dermatologist—

D. RHYS LEWIS, M.D., F.R.C.P., Swansea

HONORARY SURGEONS

HARRY BANKS B.A., M.B., B.CH., B.A.O., T.C.D., LIC. M. & S. (DUBLIN),

* Retired,

Brief History of the Aberdare and District General Hospital

(By ARTHUR W. HUMPHREYS, former Secretary)

ALTHOUGH a small Cottage Hospital, privately maintained by the Marquis of Bute had been in existence since the year 1875, it may safely be stated that the movement for a Public Institution was commenced at Cwmaman towards the end of the year 1906.

A few Eisteddfod friends met at the Cwmaman Public Institute for the purpose of organising an Eisteddfod, with the intention of brightening up the drab existence of the inhabitants, and keeping them at home during the Whit Holidays. In the first instance, the object was to build up a fund so as to make the Eisteddfod an annual event, if possible on a much larger scale. Each member of the Committee therefore had to become a guarantor for one guinea to the funds, so as to provide for any financial difficulty that might arise.

A few months before the first Eisteddfod was held two or three serious accidents occurred at the local collieries and the urgent need of a suitable institution wherein proper attention and treatment could be given to the unfortunate persons was forcibly brought home to one or two members of the Committee. They were so distressed by the conditions and the inadequacy of provisions at the workmen's homes for the proper care and treatment of accident cases that they determined to make an appeal to the Committee to use the proceeds from the Eisteddfod towards building up a fund for establishing a Cottage Hospital in the village.

The Committee readily agreed with the suggestion, and threw themselves heart and soul into the movement. It was therefore publicly advertised that the proceeds from the Eisteddfod were to be devoted towards building up a fund for establishing a Cottage Hospital in the village. The first Eisteddfod was held on Whit-Tuesday, 1907, and the officers were: Chairman—Mr. Daniel Owen; Vice-Chairman—Mr. C. A. Parr; Hon. Treasurer—Mr. Walter Jones; Hon. Secretary—Mr. A. W. Humphreys. By Whit-Tuesday, 1910, the amount of money in the fund had exceeded £600, and the Committee were of opinion that the time had arrived when the movement should take a more concrete form. It was therefore decided to convene a meeting of representatives from all the collieries and public bodies in the village to discuss the project. The colliery workmen and general public became very enthusiastic for the suggestion, and appointed a Committee, consisting of representatives from all the collieries in the area and the general public to further the movement. The officers were: Chairman—Mr. T. L. Davies; Vice-Chairman—Mr. Augustus Davies; Hon. Treasurer—Mr. Walter Jones; Hon. Secretary—Mr. A. W. Humphreys.

A deputation from the Committee approached Mr. E. M. Hann, General Manager of the Powell Duffryn Coal Co., and Mr. W. J. Heppell, General Manager of the Cwmaman Coal Co., with a view of soliciting their support and co-operation. Both gentlemen expressed their full sympathy with the project, and agreed to place the matter before their directors at the first opportunity. Representatives were also sent to Bargoed-Rhymney Valley, to inspect the Cottage Hospital which had been erected and equipped by the Powell Duffryn Co. for their workmen in that Valley. It is fair to state that the Powell Duffryn Co.—through Mr. Hann—had made a similar offer to their workmen in the Aberdare Valley. This Hospital would have been erected on the site now occupied by Jubilee Road, etc., Godreaman, but the offer was not accepted. The visit to Bargoed Hospital confirmed the Committee's views as to the great benefits which could be obtained from a similar institution in the Aberdare Valley, and greatly intensified

their desire to get one erected in the district as early as possible.

Having ascertained through their representatives that the workmen of the Powell Duffryn and Cwmaman Collieries were prepared to maintain the Hospital,—provided Messrs. E. M. Hann and W. J. Heppell could prevail upon their respective Companies to erect and equip a similar institution in the Aberdare Valley, the Committee decided to ballot the workmen at all the collieries upon the subject of maintenance so as to obtain their authority to approach the Companies again with a view of bringing the scheme into existence at the earliest possible date. A circular letter—explaining the scheme—printed in English and Welsh, was given to each workman on October 7th, 1910, with a request that he should state on the form provided whether he favoured a contribution of half-penny per week towards the Hospital's maintenance. The ballot showed that over ninety per cent. were in favour of the scheme. Unfortunately, owing to trouble in the South Wales coalfield the movement was held up for a period of two years.

At their meeting on October 16th, 1912, the Committee decided to approach the General Managers of the Powell Duffryn and Cwmaman Colliers again with a view to proceeding with the scheme. Early in January, 1913, the officers of the Committee were invited to meet Mr. E. M. Hann at Aberaman Office to receive the reply of the Directors of the Powell Duffryn Coal Co. Mr. Hann informed the officers that his Directors were prepared to erect and equip a Cottage Hospital—similar to that erected at Bargoed—at their own expense, on a site which they would provide on land behind Woodland Terrace, Godreaman, subject to the workmen providing the necessary funds for its maintenance. Arrangements were therefore made to deduct the workmen's contributions of one half-penny per week as from 1st March, 1913.

Later in the year Mr. Hann invited several prominent architects in South Wales to prepare plans, etc. for competition, which would be submitted for judgement by Colonel Bruce Vaughan, of Cardiff, who was an acknowledged authority on Hospital construction.

The successful plan was that sent by Mr. George Kenshole of Bargoed, which was very heartily approved by the Committee. A copy of the successful plan was exhibited at the Cwmaman and Aberaman Institutes in December, 1913.

The contract for erecting the Hospital was given to Mr. Horace Davies of Bargoed, who built the Bargoed Hospital. Excavations, preparatory to laying the foundations of the building were commenced in June, 1914, but, owing to the outbreak of the Great European War in August of that year, the contractor was delayed in obtaining the necessary material to proceed with the building, and the work was therefore brought to a standstill.

In the meantime, the Marquis of Bute had made known his intention to close the Bute Cottage Hospital at Aberdare, the Aberdare Valley and Hirwaun Medical Association therefore sent a letter on July 7th, 1915, to his lordship calling attention to the need of a new Hospital, situated in a central position in the town, large enough to meet the requirements of the whole district, open to all the medical men practising in the area, and enquiring whether his lordship would be prepared to grant a site for the Hospital at favourable terms.

Arising from the correspondence, and subsequent interviews between his lordship's Estate Agent and Doctors Martin Jones and Thomas Finney, a letter, dated August 26th, 1915, was received by Dr. Finney, Secretary of the Medical Association, from the Bute Estate Office, Cardiff, stating that the Marquis was prepared to lease Abernant House, and a certain area of garden ground, for a term of 99 years in consideration of a payment of £1,000 and an annual rent of £25, subject to certain conditions, one of which was the right to work the minerals underneath without liability for any damage done to the property.

Abernant House is situated in the centre of one of the most delightful spots in the County of Glamorgan, and has a commanding view of the whole valley. To the North, the limestone hills of Penderyn cut across the horizon, and to the South the hills overlooking Pontypridd can be seen in the distance. According to an early record, the original house was built by Mr. James Birch, who, with Mr. James Homfray, of Penydarren, originated the Abernant Ironworks. The ironworks were purchased by Messrs. Fothergil & Co. in the year 1819, and the house became the abode of the celebrated ironmaster, Mr. Rowland Fothergill, and later of his nephew, the still more celebrated Mr. Richard Fothergill, who lavished his wealth in building extensions, planting trees, and laying out the ground, making it enchanting even in the gloom of winter. Subsequently, the house was taken over by Miss Olive Emma Talbot, of Margam Abbey, who established St. Michael's College, where the saintly Canon Johnson trained a generation of young clergy for the Church of England in Wales.

Having obtained such a favourable reply, members of the Medical Association got in touch with Mr. E. Stonelake, J.P., and other leaders of the Trades Union Movement, in their endeavour to obtain the support of the workmen of the valley to their scheme, and at the same time Doctors Martin Jones and Thomas Finney got in touch with Mr. E. M. Hann, with a view to gaining his support for the scheme. After much persuasion by Dr. Finney—who was his personal friend—Mr. Hann was prevailed upon to visit Abernant House, and, needless to state, he was very much impressed with the building and its charming surroundings. However, having committed himself to the Aberaman Cottage Hospital Scheme, he was unable to support the Abernant House Scheme without the approval of the Cottage Hospital Committee, to whom he was morally bound. Subsequently, Mr Hann suggested to the Cottage Hospital Committee that they should pay a visit to Abernant House and submit their views to him on the General Hospital Scheme.

The Committee having made the visit informed Mr. Hann that they were charmed with the site and its commanding view of the Aberdare Valley, and, subject to the question of capital charges and maintenance costs, etc., being satisfactorily arranged, were prepared to support the General Hospital Scheme. Later, Mr. Hann informed the Committee that the Powell Duffryn Co. had taken over the minerals in the Abernant area, and the question of working the minerals underneath Abernant House had been satisfactorily settled; he, however, impressed upon the Committee that the people of Aberdare town and the upper end of the valley should come to an arrangement with them with reference to providing a fund for the maintenance of the General Hospital Scheme. The Committee therefore invited a deputation, representative of the workmen residing in the town and upper end of the valley to attend a special meeting of the Committee, to discuss the question of maintenance in the General Hospital Scheme. A satisfactory arrangement having been adopted, whereby the workmen of the town and upper end of the valley would contribute One Penny per week towards the Maintenance Fund for a similar period to that already made at Halfpenny per week by the workmen in the lower end of the valley, after which both sections of the community would contribute One Penny per week. It was unanimously resolved to support the General Hospital.

The preliminary arrangements having been agreed to, a public meeting was convened by Mr. Charles Kenshole, High Constable, in the Market Place, Aberdare, on November 16th, 1915, to consider the advisability of adopting and proceeding with the General Hospital Scheme. At a crowded meeting of the general public, it was enthusiastically resolved to adopt the scheme and to proceed with the work immediately, and a representative Committee was appointed to carry out the proposed scheme.

The first meeting of the Provisional Committee was held at the Council Chambers, Aberdare (kindly lent for the occasion) on November 30th, 1915 when the following officers were appointed : Chairman—Mr. Charles Kenshole

FIRST EXECUTIVE BOARD (1917)

(High Constable); Vice-Chairman—Mr. T. L. Davies; Hon. Treasurer—Mr. Charles Kenshole; Hon. Secretaries—Dr. Thomas Finney and Mr. A. W. Humphreys.

The movement became very popular throughout the town and outlying districts, and received the wholehearted support of every section of the community, with the result that the High Constable's appeal for donations and subscriptions towards the building and equipment fund realised the magnificent sum of £14,428—the colliery owners alone having subscribed £10,000. Plans for the conversion of Abernant House into a General Hospital were prepared by Mr. George Kenshole, and the contractor to carry out the work was Mr. Horace J. Davies, of Bargoed. The total cost of conversion and equipment, etc., was £10,300. The Hospital, with accommodation for 40 beds, was opened by Joseph Shaw, Esq., K.C., Chairman of the Powell Duffryn Coal Co., Ltd., on July 17th, 1917, amid scenes of great rejoicing.

The first Court of Governors was held in the Memorial Hall, Aberdare, on April 11th, 1918, when Mr. E. M. Hann was elected the first President, and Mr. Owen Powell, Miners' Agent, Vice-President, Mr. F. W. Mander, Hon. Treasurer, and Mr. A. W. Humphreys, Hon. Secretary.

The first meeting of the Executive Board was held on April 23rd, 1918 when Mr. Charles Kenshole was elected Chairman, and Mr. John Prowle Vice-Chairman. The first Matron appointed was Miss Frances Wood, of Coventry, who resigned in August, 1918, to get married, when the present Matron, Miss L. Richards—who had been Assistant Matron since the opening of the Hospital, was appointed to fill the vacancy.

To mark Mr. E. M. Hann's term of office as President, the Powell Duffryn Coal Co. purchased and presented three acres of land on the South side of the Hospital,—known as Abernant Gardens, and Mrs. George Hann, of Ysguborwen House, Aberdare, an X-Ray Apparatus, together with a Radiant Heat Bath for the Out-Patient Department.

To meet the cost of extensions in the Ophthalmic and Orthopaedic Departments, the Executive Board made a special appeal to the Colliery and Railway workmen to increase their weekly contributions from 1d. to 3d. per week, which was readily agreed to, and came into operation as from January 1st, 1920. During the same year the Marquis of Bute presented the freehold of the Hospital, together with the cottage and land originally leased to the Trustees of the Hospital.

Hitherto, the general public had not been favourably disposed to become patients at the Hospital. A feeling existed that the institution was a place where the local medical practitioners experimented upon the patients for the purpose of acquiring greater knowledge of the human anatomy. However, the manifold blessings bestowed upon the patients was slowly permeating the whole community and strengthening the people's confidence in its efficiency, with the result that the original prejudice rapidly died away, and instead there developed a growing demand for its ministrations and a clamour for more bed accommodation. To meet this demand, the Executive Board decided to open a temporary ward, with accommodation for fourteen beds, which, with the ten additional beds previously installed, brought the total bed accommodation up to sixty-four.

The New Ward—called the Convalescent Ward—was opened by Mr. F. W. Mander, Hon Treasurer of the Hospital, on January 24th, 1923, before a large gathering of people. During the ceremony a happy surprise was sprung upon the meeting, when the President—Mr. Iltyd Hopkin—read a letter, handed to him by the Secretary, received from Mr. Charles Kenshole, Chairman, who was unable to be present owing to illness, stating that Mr. Kenshole had purchased the whole of Abernant Park on the South side of the Hospital—about 12½ acres—and offered it as a gift to the Institution. This portion of the Park was one of the most enchanting spots in the district,

the late Mr. Fothergill having gone to considerable expense in laying out the grounds—planting trees and shrubberies. In acquiring this part of the Park and presenting it to the Hospital, Mr. Kenshole had conferred a great boon upon the Institution, and thereby secured for all time those beautiful grounds, also the privacy, so essential for the well-being of the patients and members of the staff.

During the following year information was received from Mr. H. T. Morgan—owner of the land on the North-West side of the Hospital—that he proposed cutting down the trees on the side of the drive leading to the Hospital so as to provide more grazing land for his cattle. With a view to preserving the beauty of the grounds and securing the trees as a protection to the Hospital from the North-West gales, the officers of the Board sought an interview with the landowner to try and persuade him not to carry out his intention. After a discussion with the Board, and the strong appeal of the Chairman, Mr. Morgan agreed to dispose of the land and the trees thereon, to the Board on very reasonable terms. Perhaps it would be as well to state at this juncture that in the year 1925 the Executive Board purchased from Mr. Morgan the remainder of Abernant Park on the North-East side, thereby acquiring possession of the whole park, except about 1½ acres of land adjoining the road leading out to Moss Row, Abernant, which was owned by the Powell Duffryn Coal Co., and presented to the Hospital in the year 1927.

To enable the Hospital to utilize the land purchased by Mr. Kenshole, and also that portion purchased a year later from Mr. H. T. Morgan, the Executive Board decided to establish a farm in connection with the Hospital, so that the patients could be supplied with fresh milk daily from the Hospital's cattle, which was of such vital importance for their successful treatment. Upon the advice of a competent farmer, and to enable the farm to produce a good quality of milk with a high percentage of butter fat, the Executive Board decided to purchase cattle of the Ayrshire breed for the farm's stock, and the wisdom of their decision has been amply justified during the succeeding years of the farm's existence.

Inasmuch as the old Entrance Gates, together with about thirty yards of the Hospital's Drive therefrom, was privately owned, and the Hospital having only a "right of way" use of same, the Executive Board decided to construct a new approach to the Hospital Grounds from Abernant Road, with suitable Entrance Gates. Through the kind influence of Mr. E. M. Hann the Powell Duffryn Coal Co. very generously undertook to provide the Entrance Gates and the necessary iron fencing required to divide the Hospital's property from Abernant Road. Two cottages were erected near the new Entrance Gates for housing the farmer and porter employed by the Hospital, so that either could be within easy call should an occasion arise demanding their services.

The Opening Ceremony was performed by Mr. E. M. Hann, J.P., on July 30th, 1925, before a large and enthusiastic gathering of people, and under the happiest of conditions. This splendid gift was an acquisition to the town of Aberdare, and a fitting approach to the beautiful grounds of the Hospital.

Taking advantage of the occasion, the Executive Board, and a few friends of the Hospital, decided to have a Bronze Tablet placed in the Main Hall of the building as a token of their appreciation of Mr. Charles Kenshole's munificence and great services to the Hospital. The unveiling ceremony was performed, prior to opening of the new Entrance Gates, by Mr. E. M. Hann, J.P., in the presence of the Executive Board and a few friends of the Hospital. Mr. Hann, in the course of his address, expressed his great approval of the Board's action in showing its deep appreciation of Mr. Kenshole's services whilst he was present with them. During the ceremony, the Vice-Chairman, Mr. John Prowle, announced that Mr. Hann had very gener-

ously decided to present three Artificial Sunlight Lamps to the Hospital to enable treatment to be given to cases suffering from Nervous Debility, Annemia, etc., thereby placing the equipment of the Hospital in the vanguard of Medical Science.

The following year will be remembered as one of the most gloomy hitherto experienced in the history of the Hospital. The revenue suffered considerable loss owing to the prolonged trouble in the coal industry, and towards the end of the year our much esteemed Chairman—Mr. Charles Kenshole, passed away. His interest in the Hospital deepened with each succeeding year until it became the passion of his life, and, as a final expression of his deep sympathy with the work carried on therein, he made a bequest of £1,000 to the funds. Those of his colleagues, who were left behind to carry on the good work, though much depressed in their sorrow, felt greatly inspired by the recollection of such noble and unstinted service for the alleviation of human suffering in the Aberdare Valley.

To commemorate his memory and great service to the Hospital, the Executive Board, with the unanimous approval of the Court of Governors, decided to name the "Children's Ward," which was in course of erection, "The Charles Kenshole Memorial Ward." The opening ceremony was performed by his highly respected widow—Mrs. Charles Kenshole—on Whit-Tuesday, 1927, and marked a great step forward in the development of the Institution. The Ward is acknowledged to be one of the finest in the country. The setting is all that could be desired, and the building, a work of art. Within, it is a living picture of sunshine and shadow chasing each other; the children, when not in pain, are full of mirth and laughter, and, for the time, forget their ailments in the joy and companionship of their play-things—which are so real to them. The sincerity of their innocent talk, gladdens the hearts of all visitors, and the sunshine of their beaming smiles create a feeling of thankfulness in the hearts of all the members of the Executive Board for having being enabled to provide a suitable Institution for their special care and treatment, being convinced that it could not be done satisfactorily when housed in the same Wards as the adults.

Advantage was taken of the occasion to open the Sunlight Room, which had been erected on the East side and adjoining the Convalescent Ward, wherein were installed the three Artificial Sunlight Lamps presented by Mr. E. M. Hann for the treatment of patients suffering from nervous diseases, etc. The Aberdare Hospital was the first in Wales to provide such treatment for its patients.

September 27th, 1929, will be remembered as the darkest day in the history of the Hospital, when the main building was destroyed by fire. The disastrous fire left an indelible mark upon the minds of all who were acquainted with the beautiful pile of buildings, known as Abernant House. The artistic mouldings of the magnificent hall and stately rooms were damaged beyond repair, so that the link which joined the glory of the late Ironmaster—Richard Fothergill—with the noble services of the Hospital, had been severed for ever, and nothing remained but the shell of a glorious past. The community's sorrow was intensified by the tragic death of two members of the local Fire Brigade, who were caught in the flames and died at their post of duty.

Notwithstanding the great difficulties experienced with the work of administration, due to lack of accommodation as a result of the fire, everything humanly possible was done to cope with the demand for hospital treatments. Steps were immediately taken to erect a new ward, with corridors joining it to the main building on one side, and to the Children's Ward on the other. The New Ward was ready for occupation early in August, 1930. Plans and specifications were also prepared by Messrs. T. Roderick & Sons, Architects, Aberdare, for the reconstruction of the Hospital. The work

of reconstruction was carried out on modern lines, and there arose from the ashes of the old building, an Institution more convenient and better adapted for catering to the needs of the town and outlying districts. The new buildings provided accommodation for 84 beds, and consisted of an Accident Ward, with dual Operating Theatres attached, Male and Female Wards, Children's Ward, also an Out-Patients' Department, equipped with the most modern apparatus, which include the latest and most up-to-date electric appliances.

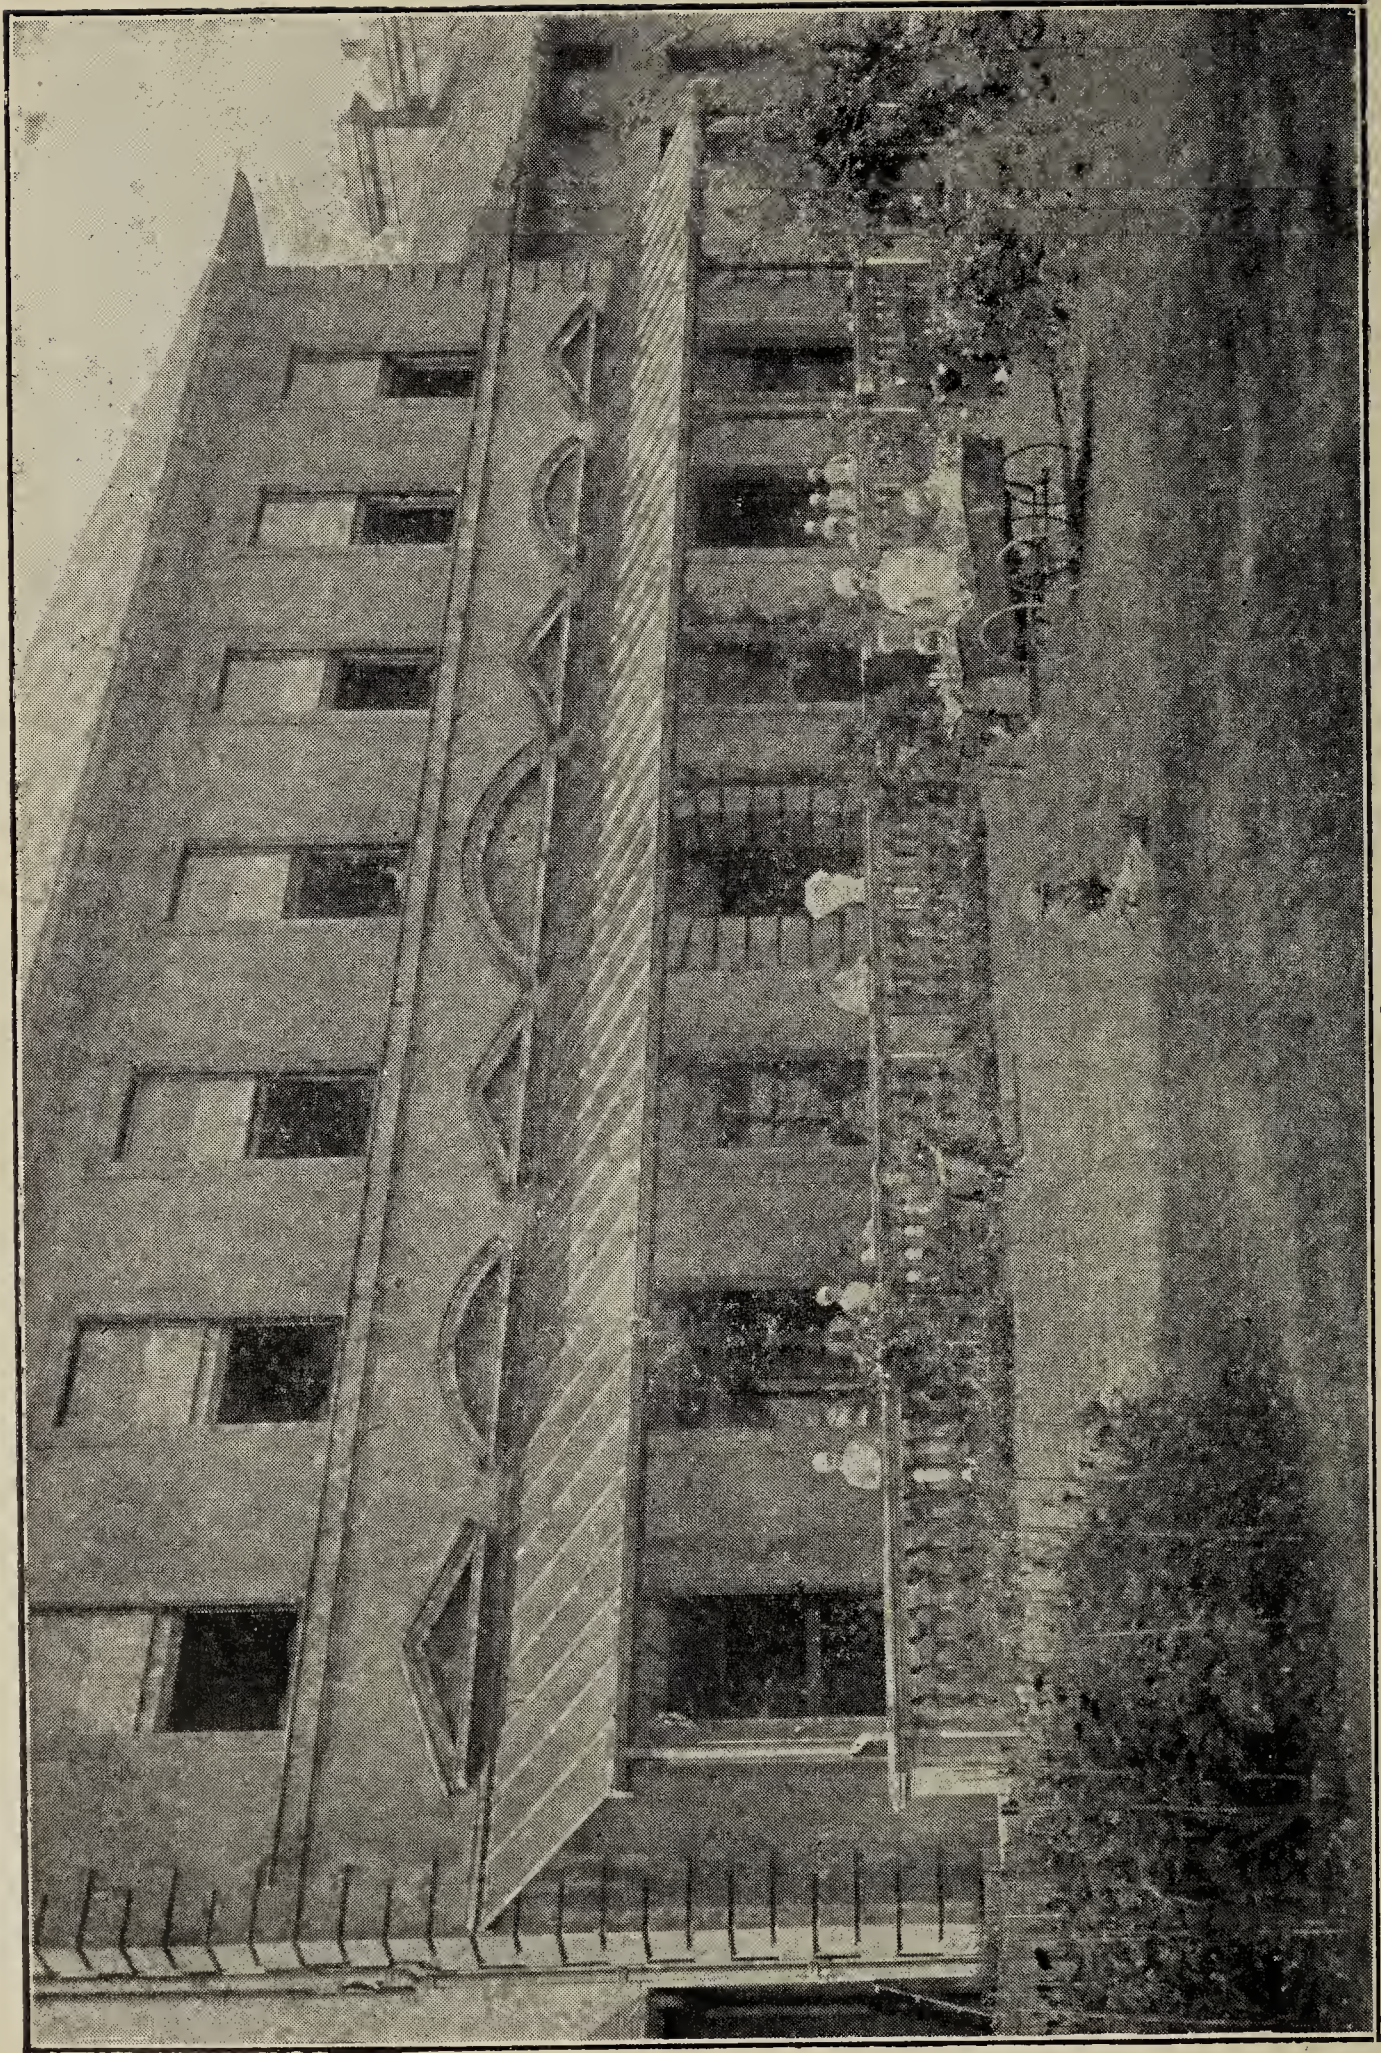

The Hospital was re-opened by Her Royal Highness The Duchess of York, on April 25th, 1933, amid scenes of great rejoicing and gratitude. The gloom and despair of September, 1929, having given way to the joy and hope of April, 1933. Her Royal Highness was charmed with the Hospital and its beautiful surroundings, and expressed great appreciation of all she saw.

Writing in the "Hospital"—the official journal of the British Hospitals Officers' Association—of a visit paid to the Hospital in June, 1933, the Chief Officer of one of the largest Hospitals in London described it as a "Gem in a Golden Setting," a delightful picture of harmonious ensemble devoted to the ministry of healing. It may therefore be truly said that, for a town of its dimensions, Aberdare possessed one of the finest Hospitals in the country, situated in surroundings which are both beautiful and invigorating: features which play an important part in the healing of patients and nursing them back to full health and strength. Several well-known people who were greatly interested in Hospital work visited the Hospital during the year following the opening ceremony, among whom were the Right Hon. D. Lloyd George and Dame Margaret Lloyd George. All were loud in their praise of the buildings, equipment and the beautiful surroundings, which, for its size, they testified, was equal to the best in the country.

During the following year the Executive Board endeavoured to get the local Urban District Council to join them in providing a Maternity Ward for the district, and suggested that the Convalescent Ward could be utilized for the purpose. After much discussion thereon and estimates of the cost prepared, the project was deferred, pending the outcome of an enquiry by the County Council, with reference to providing a Joint Maternity Hospital for the several Urban Council Authorities in their area. Unfortunately, the Board's scheme had to be dropped owing to lack of financial support from the local Council. However, "Hope springs eternal in the human breast," and the Executive Board decided that they would proceed with their scheme at the earliest opportunity.

Owing to the insistent demand for a public Ambulance Service in the town and outlying districts, the Executive Board, after consultation with the local Urban District Council, adopted a scheme promoted by the Venerable Order of the Hospital of St. John of Jerusalem (Priory for Wales) and agreed to subscribe the sum of £100 per annum towards the cost of maintenance. The service has proved a great success, and a boon to the patients coming to, and returning from the Hospital.

A revival in the trade of our local industry, after the depression during the years following the European War, had a beneficial effect upon our town and the outlying districts, with the result that a greater number of the working population were enabled to resume their contributions towards the Maintenance Fund of the Hospital. Taking advantage of this wave of commercial prosperity, and upon the advice of the Radiologist—Dr. Harry Banks—the Executive Board decided to purchase a New X-Ray Tube and Accessories so as to bring the department up-to-date with the latest improvements in Medical Science. The success of the Hospital's Out-Patient Department is primarily due to our Radiologist, whose guidance and efforts, together with the generosity of the Hann family, had brought the department up to its present high standard of efficiency. Later, and

SOUTH FRONT OF HOSPITAL (Before 1929)

upon the recommendation of the Ministry of Health, the Executive Board sent the Hospital's Physiotherapist to some of the best institutions in the country for a special course of training in the work of Rehabilitation and to ascertain whether any improvements could be made in the department. In her report to the Executive Board upon the result of her visit to the various institutions she stated that the appliances and instruments available for treatment at the Aberdare Hospital were equal to the best she had seen, and in some instances much superior.

Thanks to the generosity of our popular townsman—Alderman W. M. Llewellyn, J.P.—who very kindly defrayed the whole cost of conversion and equipment, the Executive Board were able to proceed with their scheme for the provision of a Maternity Ward at the Hospital, which was named the "Elizabeth Llewellyn Maternity Ward," in memory of the donor's highly esteemed mother, who had previously established a Nursing Home for women in the top end of the valley. The Opening Ceremony was performed by Alderman W. M. Llewellyn, J.P., on April 13th, 1939, before a very enthusiastic audience. The equipment and furniture had been so arranged as to provide the maximum comfort for the patients, in a peaceful setting, surrounded by the beauties of nature.

Principal Joseph Jones, M.A., B.D., Chairman of the Brecon County Education Authority, in paying tribute to the generosity and kindly disposition of his esteemed friend—Alderman W. M. Llewellyn, J.P.—complimented the Executive Board upon the noble pile of buildings erected amidst such charming scenery, which had so beneficial an effect upon the mind and feelings of the patients, in the promotion of an early recovery.

The working of the Institution had been very much handicapped by the need of a Laundry, wherein the washing could be done, and, with the opening of the Maternity Ward, it was felt that the time had arrived when the long-felt want should be attended to. Steps were therefore taken to ascertain the type and size of apparatus which would be most suitable for the Hospital's requirements. In order to obtain the necessary information members of the Board visited other Hospitals and Institutions in South Wales where laundries had been installed. Upon the advice of an expert engineer the Executive Board decided to provide a new Boiler Installation for working the laundry and improving the domestic hot-water and heating arrangements of the Hospital. The Laundry and new Boiler Installation were completed, and the whole of the Hospital's laundering has been done on the premises since October 1st, 1940. The new installation was a decided acquisition to the Institution, and has been a great boon, both to the patients and members of the staff. The improvement in the domestic hot water and heating arrangements of the Hospital were very conspicuous and gave complete satisfaction to all concerned. The Chief Officer of the "Miners' Welfare Fund," which, very generously, had subscribed £1,000 towards the cost of installation, was very pleased with the engineering plant selected and complimented the Board upon its decision.

Arising from the Report of the Sankey Commission to the British Hospital's Association, with reference to the co-ordination of hospital services, representatives from the Executive Board attended meetings of the South Wales Regional Council to assist in drafting a scheme for carrying out the recommendations embodied in the Commission's Report. The drafted scheme was subsequently adopted by all the Voluntary Hospitals in the area, but, owing to the War, was not brought into operation.

Arising from the unanimous wish of the members and with the whole-hearted approval of the Court of Governors held on October 10th, 1940, the Executive Board decided to re-name the B.—Male Ward as "E. M. Hann Ward," in commemoration of Mr. Hann's great services and munificence towards providing Aberdare town and the outlying districts with a General Hospital. The Dedication Service was held at the Hospital on

March 27th, 1941, in the presence of the family, with friends, and members of the Executive Board. The Memorial Tablet was unveiled by Mr. Edmund Stonelake, J.P., who had been closely associated with the General Hospital Movement from the commencement. In the course of his opening address Mr. Stonelake stated that the Aberdare General Hospital, primarily, owed its existence to the efforts of the late Mr. Hann, and in justice to his great services and munificence, could have been named the E. M. Hann Hospital.

Owing to a break down in health, Mr. A. W. Humphreys resigned from the office of Secretary towards the end of November, 1940, when the present Secretary, Mr. Clifford Thomas, took over the duties.

Owing to the mass destruction of property in London and the Eastern Counties of England, as a result of Air Raids during the World War, instructions were received from the Ministry of Health to make preparations for the reception of over 300 evacuees from the blitzed areas and to have their needs attended to until suitable accommodation could be found for them in the outlying districts. The Aberaman Welfare Dance Hall and the Aberaman Church Hall were also taken over, and used as annexes of the Hospital under the Government's Emergency Hospital Scheme. The Government provided the necessary furniture and equipment for both institutions, but the Executive Board was responsible for the administration and maintenance, the Government subsequently, remunerating the funds of the Hospital upon an average cost per bed basis.

During the year 1941 the Hospital was honoured by the visit of Her Royal Highness the Duchess of Kent, who was deeply impressed with all she saw, and particularly remarked upon the extreme cleanliness of the Hospital and its beautiful surroundings.

The following year will be remembered as the Silver Jubilee Year of the Hospital when Alderman W. M. Llewellyn, J.P., made a further donation of £1,000 towards the internal and external maintenance of the Elizabeth Llewellyn Maternity Ward, with provision for decorative flower gardens on the South side of the Ward.

To mark the Silver Jubilee of the Hospital the Executive Board decided that Sunday, July 19th, 1942, should be observed as Hospital Sunday in commemoration of the twenty-fifth anniversary of the Hospital's Opening, and arrangements were made for a parade of all organisations, public bodies and the general public to march from the town, preceded by Hirwaun Brass Band, to the grounds of the Hospital, to hold a Service of Thanksgiving to Almighty God for the manifold blessings bestowed upon the Hospital during the past twenty-five years. The service was conducted by the Rev. J. Wilfred Evans, B.A., B.D., R.D., Vicar of Aberdare, who delivered an inspiring address to a congregation of 6,000 people. The Rev. D. Herbert Davies, B.A., B.D., Calfaria, Aberdare, read the lesson, and the Rev. W. Morse, B.A., Ebenezer, Trecynon, Aberdare, offered prayers of thanksgiving. Silver Jubilee Celebrations were continued on Monday, August 3rd, 1942, when a Fete was held within the Grounds of the Hospital. The Executive Board felt greatly indebted to all, who so heartily co-operated with them in making the Silver Jubilee of the Hospital such a great success. The nett income from the celebrations amounted to £847 12s. 7d.

During the War the work of Physio-Therapy Departments attached to hospitals in Wales attracted the attention of the Welsh Board of Health with special reference to the work of Rehabilitation, and, as the result of a survey carried out by the officers of the Ministry of Health at certain hospitals, which included the Aberdare General Hospital, the Executive Board, upon the recommendation of their Medical Committee appointed Dr. Jack S. M. Wilson as part-time Honorary Director of Rehabilitation Services at the Hospital, and, subsequently, upon the recommendation of Dr. Jack S. M. Wilson, appointed Mr. John Williams, Arts and Crafts Teacher, Aberdare, to take charge of the diversional treatment. Excellent

progress has been made by in-patients undertaking this treatment in connection with the Hospital's Rehabilitation Service. The success attained is entirely due to the enthusiasm and patience displayed by Mr. and Mrs. John Williams, Arts and Crafts Teachers.

As part of their preparations towards the co-ordination of Hospital Services throughout the country the Ministry of Health arranged for a survey to be taken of all the hospitals, and in accordance therewith, a survey of the Aberdare General Hospital was made on May 26th, 1943, when the surveying officers met members of the Executive Board and Medical Committee in their search for information relative to the services available at the Hospital. The Survey Report, published in the year 1945, referred to the Aberdare General Hospital as being a fairly modern hospital, with excellent theatre and out-patient facilities, and suggested that the Hospital should be extended so as to serve as an Area Hospital for the whole of the Cynon Valley, with provision for additional beds to meet the needs of infectious diseases, etc.

Thanks to the generosity of Mr. Frank P. Hann—who made a special gift of £500—and other subscribers, the Executive Board were able to purchase a supply of Radium suitable to the needs of the Hospital. Hitherto supplies had to be hired for the treatment of patients requiring such service, which was a great disadvantage for the treatment of cases requiring urgent attention.

Plans had also been prepared for extending the Maternity Ward so as to provide accommodation for fourteen beds. The work was delayed, pending the receipt of a licence from the Welsh Board of Health to proceed with the extensions. This has now been received, and the work is being pressed forward with a view to having the Opening Ceremony performed early in the year 1948.

It may reasonably be stated that the Aberdare and District General Hospital is an Institution—for its size, which will compare very favourably with any other hospital in the country, and of which all sections of the community may justly feel very proud. The Hospital was very fortunate in having a most progressive body of men and women to serve on its Provisional Committee and Executive Board, ably supported by a Medical Committee, composed of a splendid team of local Medical and Surgical Practitioners—three of whom had obtained the degree of M.D. as physicians and three the degree of F.R.C.S., as surgeons, the highest qualifications of their profession. A service—apart from the largest towns, few hospitals in the country had at their disposal for treatment of their patients. The Chief Medical Officer of Health for Wales was so impressed with the service available that he refused to allocate specialists for the Hospital during the world war.

The energy and enthusiasm of these bodies was so contagious that it captured the imagination of the town and outlying districts to such an extent that all sections of the community vied one with the other in their efforts to support the development and maintenance of their Hospital.

What of the future? According to a statement by the Minister of Health in Parliament, the State will take over all the hospitals in the country from July 5th, 1948, from which date the Court of Governors, together with the Executive Board, will cease to have any authority in the administration of the Aberdare and District General Hospital. The land, buildings and equipment to be transferred are valued at £80,000.

Both bodies, however, can feel very proud of their achievement in providing their community, in one of the beauty spots of Wales, with one of the finest and best equipped institutions in the country for the alleviation of human suffering.

“ Honour to those, whose words or deeds
Thus helps us in our daily needs.”

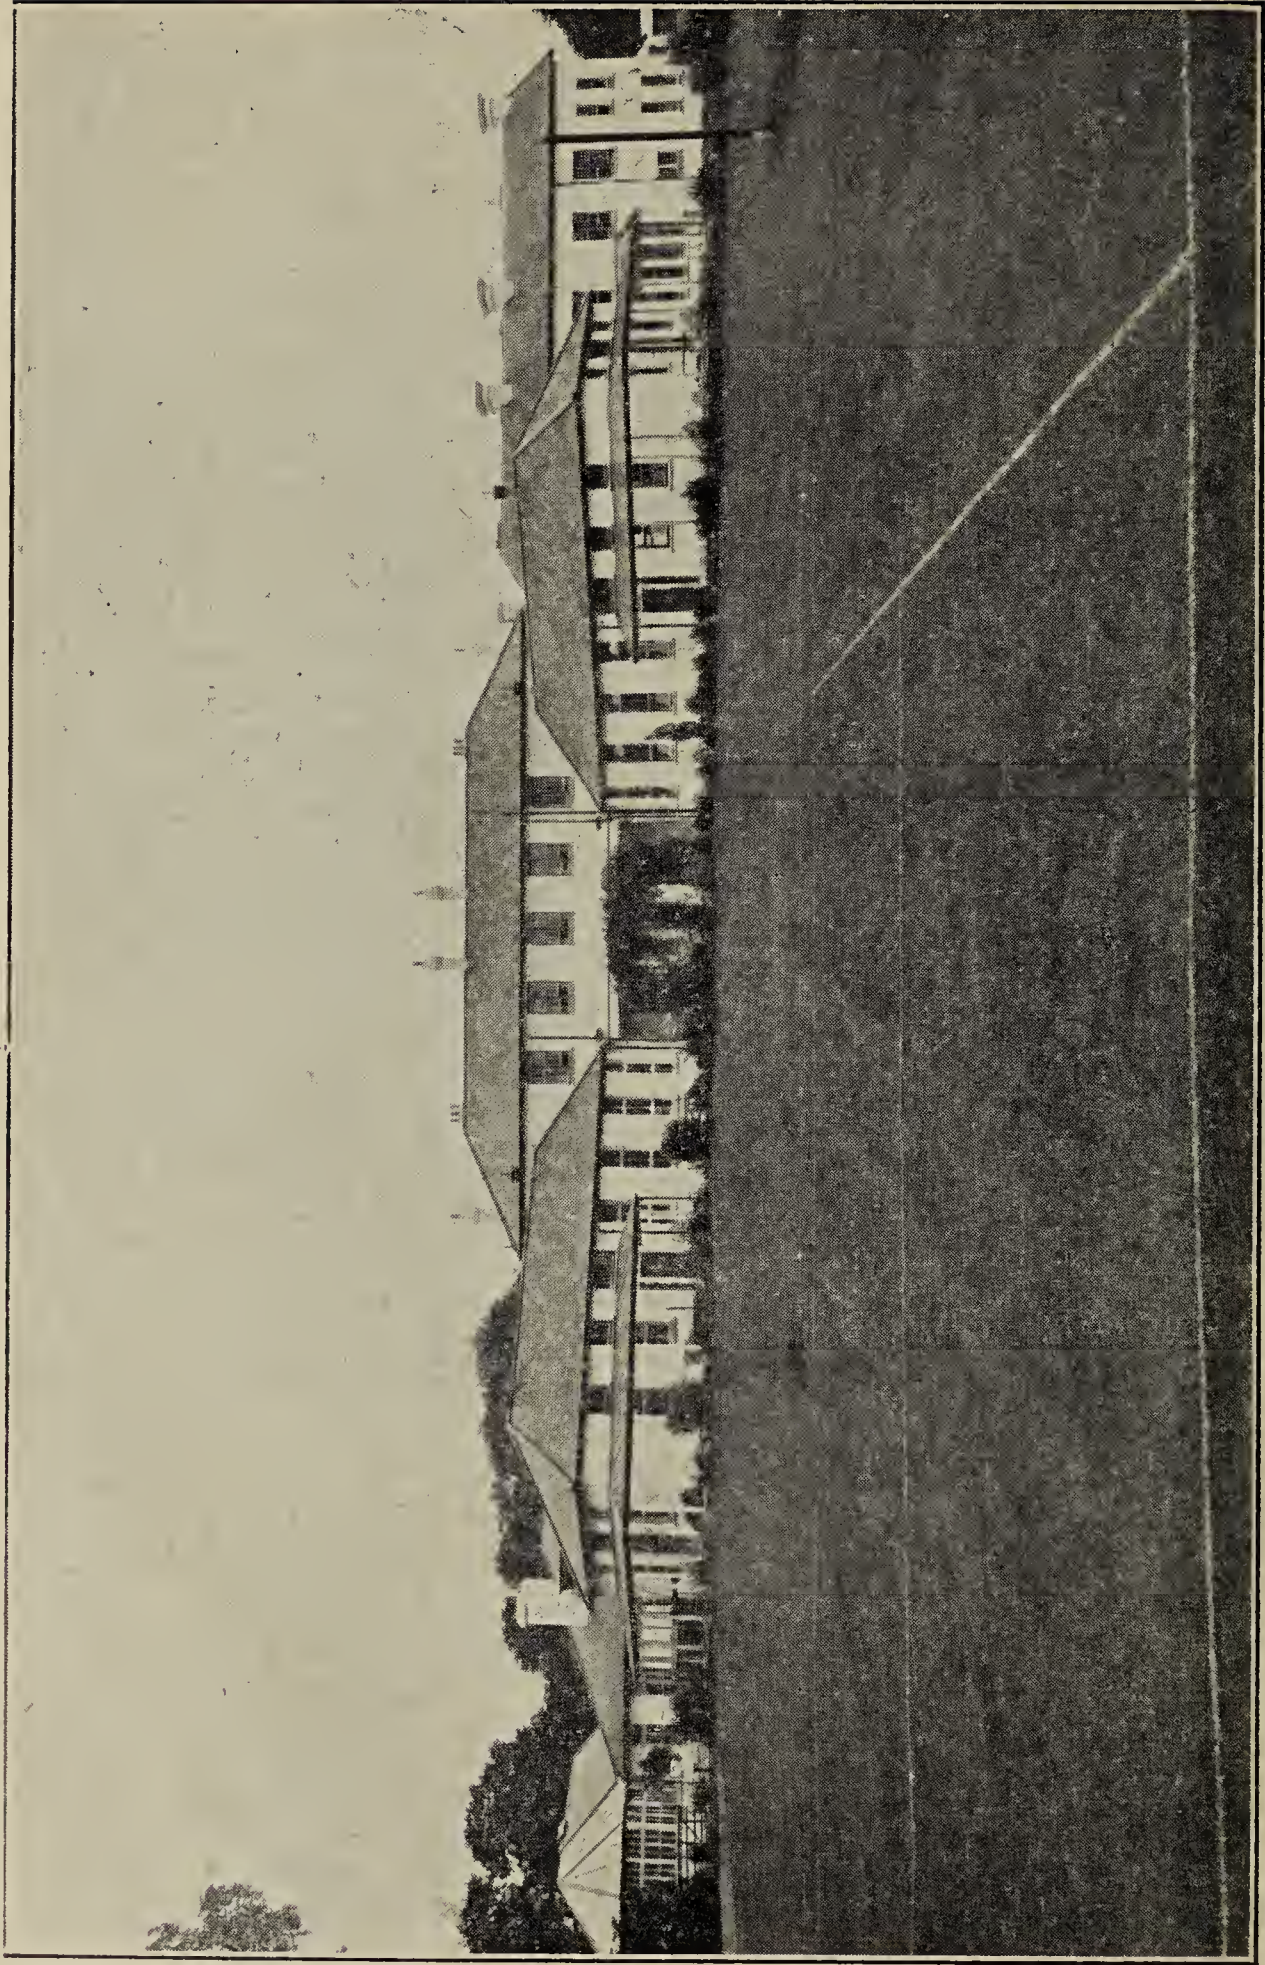

Governors for 1947

LIFE GOVERNORS.

The Hon. Miss A. Lewis, Abergavenny
 Lady Llewellyn, The Court, St. Fagans, Cardiff
 Mrs. F. B. Harrison, Harrisonville, Cwmdare, Aberdare
 Lieut. Commander Locke, United Services Club, Pall Mall, London
 Mrs. W. D. Phillips, Y Wern, Llwydcoed, Aberdare
 Glen George, Esq., M.B.E., B.Sc., B.L., Ty Draw, Aberdare
 Mrs. Glen George, Ty Draw, Aberdare
 M. H. Llewellyn, Esq., Ty Newydd, Hirwaun
 Frank P. Hann, Esq., Sherbourne, Tenby
 Aneurin Davies, Esq., Bryngwyn, Trecynon, Aberdare
 Mrs. Aneurin Davies, J.P., Bryngwyn, Trecynon, Aberdare
 Doctor J. M. Wilson, M.B., Bon Accord, Trecynon, Aberdare
 Mrs. J. M. Wilson, Bon Accord, Trecynon, Aberdare
 J. Kramsky, Esq., 68 Walters Road, Swansea
 Thomas Lucas, Esq., 45 Wind Street, Aberdare
 J. Lewis, Esq., 7 Llanwonno Road, Cwmaman, Aberdare
 D. Thomas Jones, Esq., Ty Newydd Cottage, Penderyn, Hirwaun
 David Stephens, Esq., 4 Albion Street, Aberaman
 David Sweet, Esq., 14 Tramway, Hirwaun
 John Prowle, Esq., J.P., East Avenue, Gadlys, Aberdare

Executive Board Report

LADIES AND GENTLEMEN,

The Executive Board has pleasure in presenting its Thirtieth Annual Report to the Governors, together with audited Statement of Accounts and Balance Sheet for the year ended December 31st, 1947. Circumstances having made it necessary to defer the Annual Meeting of Governors to July, 1948, the Report of the Executive Board covers the period to May 20th, 1948.

The Board profoundly regret to record the death of Mr. Jonah Lewis, who had faithfully served the Executive Board through all the years. It was in recognition of his excellent services to the Hospital that Mr. Lewis was honoured in 1941 with Life Membership of the Executive Board. He was a man of eminence in the field of public work, and his passing is deeply regretted.

THE WORK OF THE YEAR.

In-Patients.

The number of patients admitted during the year was 1,291, compared with 1,267 for the preceding year. The number of operations performed was 747, compared with 790 in 1946. The number of births in Elizabeth Llewellyn Maternity Ward was 136. The average number of beds occupied daily was 56.4, compared with 55.9 for the preceding year. The number of patients treated to conclusion was 1,297, and the average number of days each patient was resident,—16. The average cost per occupied bed was £411 12s. 6d., compared with £334 0s. 3d., and the average cost of each patient treated to conclusion was £17 18s. 0d., compared with £16 1s. 2d. Internal painting of Wards reduced the availability of beds from the normal complement of 96 to 85 beds. In-Patients have continued undertaking diversionary treatment, forming part of the Hospital's Rehabilitation Service, and enthusiasm by Mr. and Mrs. John Williams, Arts and Craft Teachers, has been fully maintained. Indeed, no tribute is too high to these officers, whose services are greatly appreciated by Patients and the Executive Board.

Out-Patients.

The number of attendances in the various sections of the Out-Patient Department were as follows :—

Specialist Consultations ...	1,538	Radiant Heat ...	982
X-Ray	5,800	Ultra Violet Rays ...	680
Massage	2,435	Exercises	1,101
Diathermy	1,065	Electrical	479
Whirlpool	882		

making a total of 14,962 attendances, compared with 15,068 in 1947. The average cost per Out-Patient was 15s. 2d., compared with 12s., and the average cost per Out-Patient attendance 6s. 8½d., compared with 4s. 8½d. for the preceding year. The average number attending daily was 42.1, compared with 42 in 1947. The increased average cost is, of course, attributed to operation of a complete Specialist Service introduced in January 1st, 1947.

SPECIALIST SERVICE.

The Hospital's Specialist Service introduced in January, 1947, has been fully justified. The treatment of skin diseases engaged the attention of your Board, and Doctor D. Rhys Lewis, M.D., F.R.C.P., of Swansea, was appointed to the Consultant Staff as Dermatologist. The arrangements provide, that patients suffering from skin diseases are seen and treated at the Swansea consulting rooms of our Dermatologist. The Medical Committee, following approaches by the Visiting Consultant Staff, recommended that the administering of Anaesthetics being now regarded a specialised service, that Visiting Anaesthetists be appointed to the Hospital's Visiting Staff. We are pleased to report that Doctors Sybil M. Ferguson, A. Hugh Musgrove, and I. Rhys Jones, all of Cardiff, have been appointed Visiting Anaesthetists to the Hospital, such appointments opening up a new branch in our Specialist Service.

We record grateful thanks to the Visiting Consultant Staff, who have contributed much to the effective functioning of the Specialist Service.

HONORARY MEDICAL AND SURGICAL STAFF.

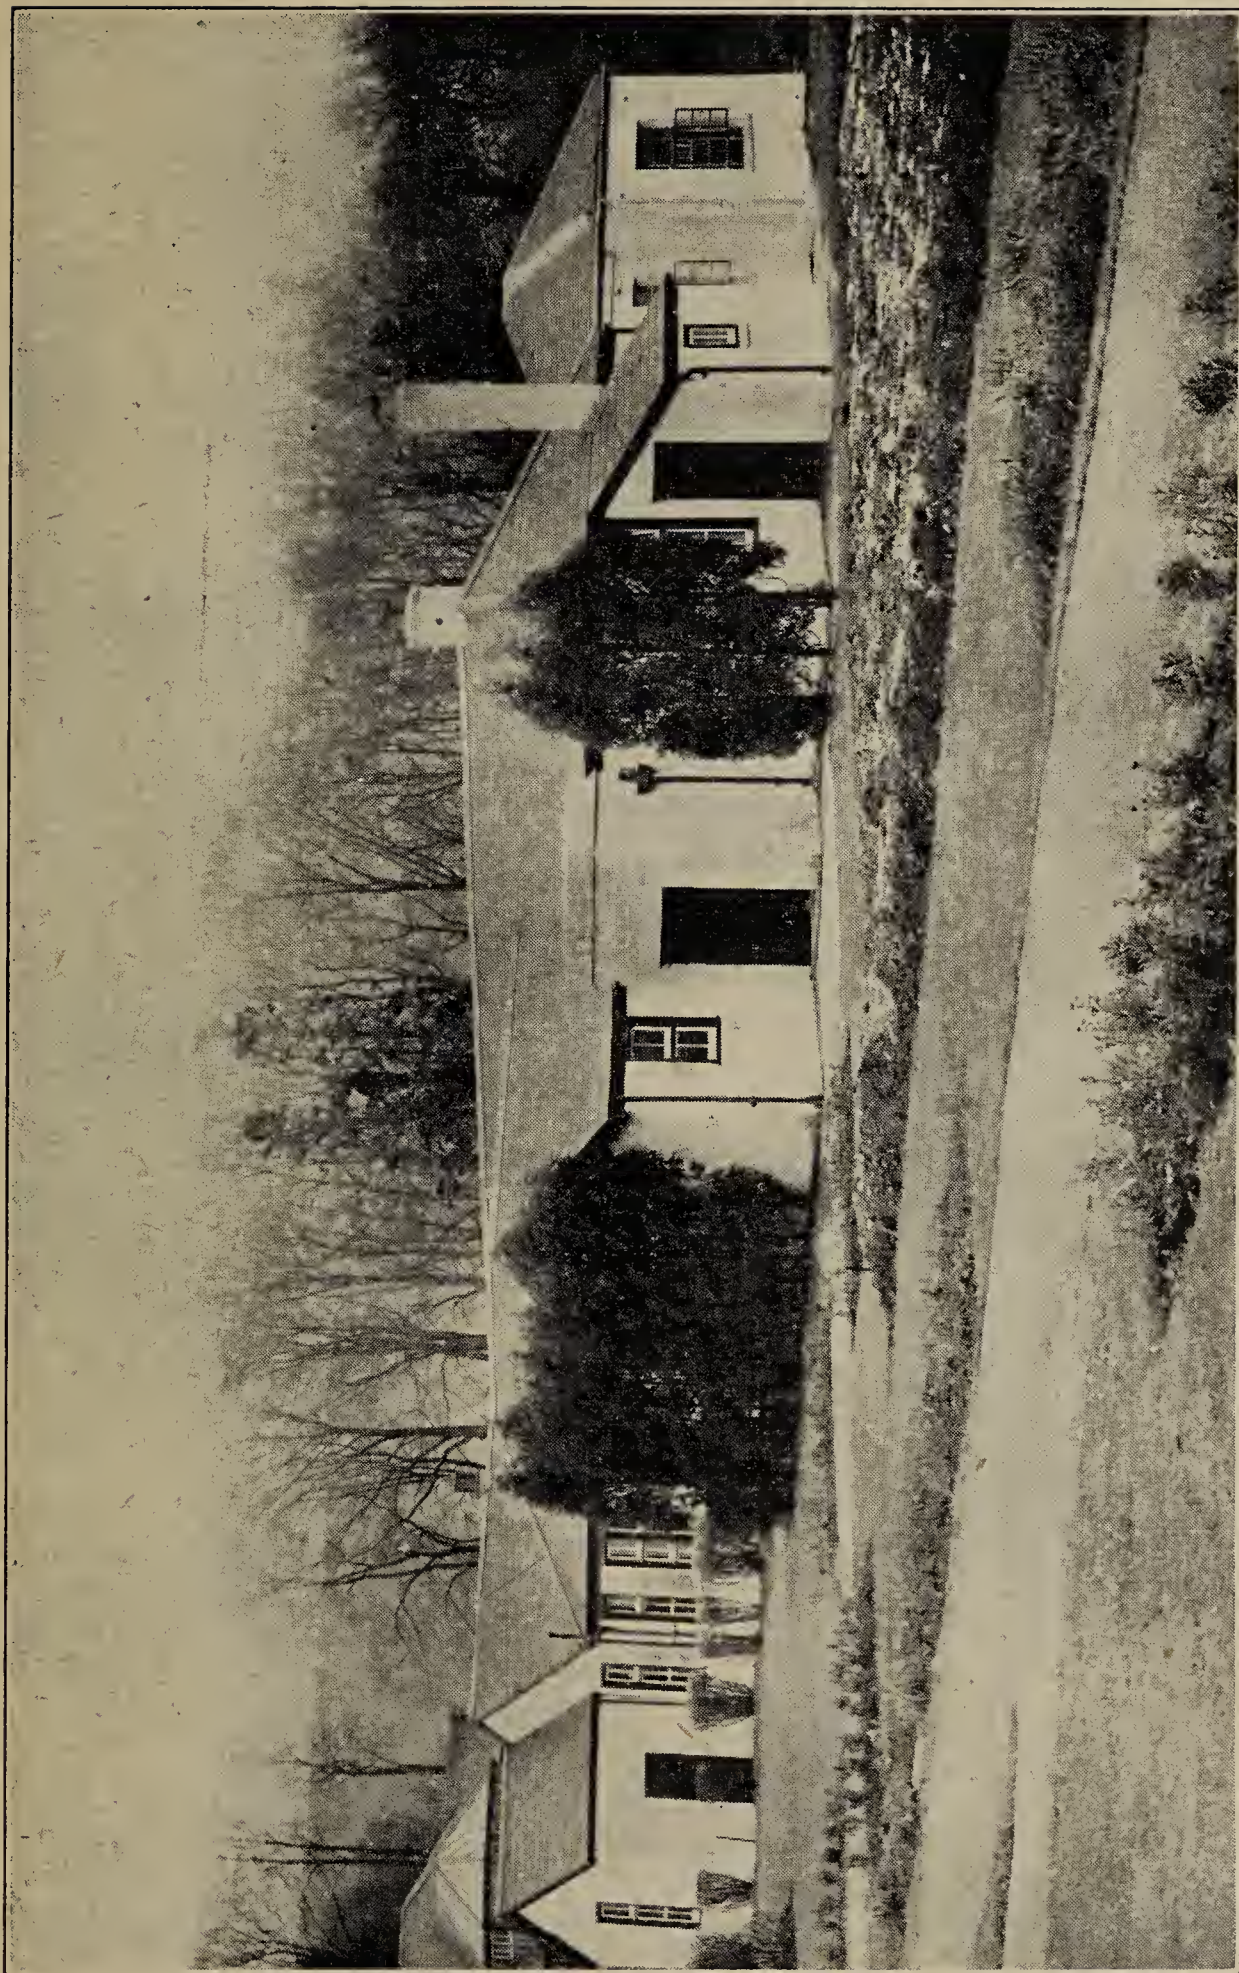

We express our thanks to all Members of the Honorary Medical and Surgical Staff, who continue to render excellent service.

Doctor J. W. Bullen having resigned from the Honorary Medical Staff, following departure from the area, your Board has appointed Doctor Frank J. Doherty, M.B., B.CH., B.A.C. (Q.U. Belfast), as successor to Doctor J. W. Bullen, which includes the appointment of Honorary Blood Transfusion Officer. The Board has, following the recommendation of the Medical Committee, appointed Doctor W. L. Codd, M.B., B.CH., Doctor J. Ross Steen, B.A., M.B., B.CH., B.A.O. (Dublin), and Doctor J. Ll. Williams, M.R.C.S., L.R.C.P., D.P.H. (Lond.), Medical Officer of Health Aberdare Urban District Council, to the Honorary Medical Staff. We have also to report that Mr. W. Trevor Flooks, L.D.S., and Mr. D. G. Roberts, L.D.S., both of Aberdare, have been appointed Honorary Dental Surgeons to the Hospital. Following approaches by the Medical Committee, the Executive Board has further considered the setting up of a Pathological Laboratory. Decision by the Welsh Regional Hospital Board has, however, prevented any action hereon.

It is with gratitude that we record appreciation of the Matron and Staff, who continue to cheerfully undertake their heavy responsibilities, and faithfully serve your interests. On the 2nd July, 1947, the Matron completed thirty years service to your Hospital, whilst Sister O. M. Lewis, of the X-Ray Department, completed twenty-five years service on the 17th July, 1947, both having conscientiously given of their best throughout their respective periods of service. Conforming to decisions of a Special Court of Governors held on the 22nd April, 1948, which accepted the recommendations of the Executive Board, both officers, who already come within the Federated Superannuation Scheme since 1929, will enjoy further benefit from Pension Arrangements in relation to superannuation Regulations under National Health Service Act, 1946. Matters relating to the recruitment of nurses have continued to engage a good deal of your Board's attention. In common with all other hospitals in the country, we have our nursing deficiency problems. The Board took appropriate steps to supplement the permanent Nursing Staff with part-time appointments in accordance with the announcement made by the Ministry of Health. Even so, the position continues to be a difficult problem for the Board.

NORTH VIEW OF HOSPITAL

ELIZABETH LLEWELLYN MATERNITY WARD

APPOINTMENT OF RESIDENT SURGICAL OFFICER.

Conforming to further directions by the Governors at the Half-Yearly Court held on October 9th, 1947, the Board again considered the appointment of a Resident Surgical Officer. Advice was obtained from the Welsh Board of Health, and having full regard to operation of the National Health Service on the 5th July, 1948, the Board has adhered to its policy whereby circumstances are not opportune to create the appointment of Resident Surgical Officer.

ELIZABETH LLEWELLYN MATERNITY WARD EXTENSIONS.

It is with pardonable pride that we report completion of extensions to Elizabeth Llewellyn Maternity Ward, authority for which was sanctioned by the Governors, and sponsored by the Welsh Board of Health. These extensions comprise a new Ward of six beds, and a new labour ward, which will be opened by the Right Hon. Viscount Hall of Cynon Valley, P.C., LL.D., on Saturday, June 5th, 1948. The Maternity Unit will now accommodate 14 beds, and have the effect of increasing the Hospital's bed complement to 102. When it is considered that Maternity Services were actually Public Authority responsibility, the board justly takes credit for its enterprise in setting up a Maternity Unit which, since 1939, has proved beyond all doubt, the value of such a service to the area served by the Hospital.

X-RAY DEPARTMENT.

The Board had hoped that installation of modern equipment at the X-Ray Department would have been completed before submission of this Report. Every effort is being made to complete before the Hospital's transfer on July 5th next, but present indications are, that installation of the equipment will be delayed until after "vesting day" on July 5th, 1948. We record with gratitude and appreciation the gift of Armoured Cable by Aberdare Cables Limited, required for successful operation of the new equipment. This cable has been installed by the National Coal Board, to whom grateful thanks are accorded.

DEDICATION AND NAMING OF BEDS.

We desire to report our decision to dedicate and name five hospital beds. Four beds are to be dedicated in commemoration of the constant support and loyalty of the Hospital's Ball Committee throughout the long period of twenty-three years. A "Silver Jubilee" bed is also to be dedicated to commemorate the Hospital's Silver Jubilee, which was so appropriately observed on the 19th July, 1942. The dedication ceremonies will take place on Saturday, June 5th, 1948. The Board is only too mindful of the excellent assistance received from the Ball Committee, and it is fitting that the memory of such assistance will be perpetuated by the dedicated beds in the various Wards. The "Silver Jubilee" bed will also be a monument to the loyal support of local inhabitants.

FINANCES.

Governors are referred to pages 40 to 45 of the Annual Report for complete details of the Hospital's income and expenditure for the year 1947, the Balance Sheet indicating the state of affairs as at December 31st, 1947, from which it will be observed that the value of buildings and equipment, etc., to be transferred to the Minister of Health on the 5th July, 1948, amount to approximately £79,000

THE PAST.

Governors will have observed that the early pages of this published Report contains a brief history of the Hospital, which will, undoubtedly, have been read with every interest. We record our gratitude to Mr. Arthur W. Humphreys for the excellence of his efforts in preparing so interesting an account of the Hospital's activities throughout all the years.

THE FUTURE.

Governors are now aware that the Minister of Health has appointed 14 Regional Hospital Boards to administer the country's future Hospital Services. Undoubtedly, these Boards have surmounted tremendous tasks in preparation for the transfer of Hospitals on the 5th July next. The Welsh Regional Hospital Board has appointed the respective Management Committees to undertake the day to day management of Hospitals in Groups which have also been set up. The position of Aberdare and District General Hospital is now known, and is included in a Group to be managed by the Merthyr and Aberdare Hospital Management Committee, which will comprise 17 members, 6 of whom have been appointed from the Aberdare and Mountain Ash areas. We believe that Governors, like the present Executive Board, will be of one mind in hoping that the Merthyr and Aberdare Hospital Management Committee will be supported and encouraged in the tasks that lie ahead, thereby ensuring that the Hospital Services under the National Health Service Act, 1946, will be administered to the common good of all concerned, and that the well-being of the patients will ever be in the forefront of their minds. The Country's Voluntary Hospital System has a record with which it can justly be proud, but the forthcoming administrative changes must be fully and generously supported with the knowledge that the keystone of the service itself will prove to be the Management Committee.

In concluding this final Report of the Hospital as a Voluntary Institution, we pay every tribute to the assistance and financial support which the public and all organisations within the Aberdare Urban Area have accorded the Hospital throughout the period of thirty years' existence. Indeed, the memory of Aberdare and District General Hospital as a Voluntary Institution will ever be present, and a great debt of gratitude is due to all who have been privileged to support and manage its affairs.

For, and on behalf of the Executive Board,

JOHN MORGANS, *Chairman.*

H. W. GEORGE, *Vice-Chairman.*

THOMAS RODERICK, *Hon. Treasurer*

CLIFFORD THOMAS, *Secretary.*

Medical Staff Report for 1947

To the Governors of the Aberdare and District General Hospital.

LADIES AND GENTLEMEN,—

The Honorary Medical Staff of your Hospital has the pleasure of submitting to you their Annual Report for 1947.

During the year there were admitted to the Hospital 1,291 patients, and the following is a summary of the cases :—

Colliery Accidents	89
Other Accidents	147
Births	136
Medical Cases	171
Surgical Cases, etc.	748

There were 747 operations performed under the following classifications :—

Abdomen and Abdominal Wall	159
Gynaecological	83
Diseases of Chest	5
„ Rectum	12
„ Urinary Tract	56
„ Tonsils and Adenoids	106
Orthopaedic and Amputation of Limbs	60
Amputations of Breast	19

I have audited the foregoing Statement of Accounts and Balance Sheet of the Aberdare and District General Hospital, dated 31st December, 1947, as above set forth. I have received all the information and explanations I have required. In my opinion, such Balance Sheet is properly exhibited to show a true and correct view of the state of affairs as at that date, according to the explanations and information given to me, and as shown by the Books of the Hospital.

C. E. EDWARDS,
Public Auditor.

In-Patients have the privilege of seeing their relatives and friends at the Hospital on Sundays and Wednesdays, at 2 p.m. The Children's Ward by arrangement with the Matron. No In-Patient shall see more than two relatives or friends in the Ward at the same time. For visiting In-Patients at other times, special permission may be obtained from the Matron. Children under 12 are not admitted. Visitors are strictly forbidden to bring sweets, fruit, or any article of food (except eggs), or of drink for the patients.

Any person found attempting to infringe this Rule will not be allowed to enter the Hospital, and his or her Ticket will be detained or cancelled.

Visiting Days for Patients' Relatives—

SUNDAYS from 2.0 p.m. to 4.0 p.m.

WEDNESDAYS from 2.0 p.m. to 4.0 p.m.

Visiting Days for Children's Ward—

Once fortnightly, by arrangement with the Matron.

[illegible]

Hospital Telephone—P.O. 43. Secretary—493.

The Hospital is connected by P.O. Telephone with the whole of the Medical Staff.

In case of accident, it is requested that notice be sent by telephone or messenger to the Matron, so that everything may be prepared for the reception of the Patient.

Books, Papers, or Magazines are always appreciated by the Patients, and Flowers, Plants, or comforts for them are always welcome.

Copies of Rules, or any information respecting the Hospital can be obtained from the Secretary.

The promoters of any entertainment or other means of raising Funds for the Hospital are kindly requested to confer with the Secretary.
